

3B

November 3, 2003

TO: Local Agency Formation Commission
FROM: Executive Officer
SUBJECT: New Agenda Item 3B: Fire Protection in San Diego County

Supervisor Jacob has requested that the November 2003 Agenda be revised to include the attached new agenda item dealing with county fire protection and emergency medical issues. The Commission will be requested to provide comments and possible direction on this subject. This proposed agenda item came to my attention after the deadline for posting the November 3, 2003 agenda. Therefore, it is recommended that the Commission find that there is a need to take immediate action and the need to take the action came to LAFCO staff's attention subsequent to posting the agenda (2/3 vote or unanimous vote required, depending on commissioners present).

Respectfully submitted,

MICHAEL D. OTT
Executive Officer
