**SUBJECT: Current Proposals & Notification of District Actions Submitted by Petition of Registered Voters or Landowners**

**SUMMARY**

The San Diego County Local Agency Formation Commission (LAFCO) will receive a report summarizing active proposals on file with the Commission. This includes one new submittal made with LAFCO since the last report was presented at the April 8<sup>th</sup> meeting. The report also identifies notable pending proposals that are expected to be submitted in the near term. The item is for information only and concurrently satisfies LAFCO’s reporting requirement for special district proposals submitted by petition of registered voters or landowners. The notification starts a 60-day period in which the affected special districts may request termination of the proceedings due to financial or service related concerns.

**BACKGROUND**

**LAFCO Proceedings**

LAFCO proceedings for consideration of proposed changes of organization or reorganizations – which include incorporations, formations, annexations, detachments, mergers, consolidations, and service power activations or divestures – may be initiated by landowner/voter petition or resolution by local agencies. LAFCOs may also initiate proposals

specific to forming, consolidating, or dissolving special districts if consistent with the recommendations of approved municipal service reviews. Following submittal, proposals are reviewed for completeness and status letters are sent to applicants within 30 days. If proposals require additional documentation they are deemed incomplete and the status letters will itemize any needed information. Once proposals are deemed complete they are scheduled for Commission hearing. Proposals involving outside service extension requests follow separate proceedings and may be administratively approved by the Executive Officer if addressing documented public health or safety threats.

## DISCUSSION

This item is being presented for information only and identifies all active proposals currently on file with San Diego LAFCO. The report also – and for telegraphing purposes of future workload – identifies pending proposals staff anticipates being filed with LAFCO in the near term. A summary of active and pending proposals follows and further detailed in Attachment One. The information item also serves to concurrently satisfy the Commission’s reporting requirement to provide notice on agendas when proposals involving special districts are initiated by landowners or registered voters.<sup>1</sup>

### Active Proposals

There are 25 active proposals currently on file with San Diego LAFCO as of date. The active proposals range in scope from pre-hearing to post-hearing with the latter category representing items already approved by the Commission but awaiting the completion of conducting authority proceedings (i.e., protest) or terms. Most recently, the following proposal has been submitted with the Commission since the April 8<sup>th</sup> report:

- “Rains–Acacia Avenue Change of Organization” (DA19-07; OAS19-07) | Contractual Service Agreement to the San Diego County Sanitation District

### Pending Proposals

There are seven potential new and substantive proposals staff expects to be submitted to San Diego LAFCO in the near-term from local agencies based on ongoing discussions with proponents.<sup>2</sup> Four of these pending proposals include city annexations in North County to accommodate relatively large subdivision projects and involve Safari Highlands (Escondido), Sager Ranch (Escondido), Rancho Lomas Verdes (Vista) and Otay Mesa Landfill (Chula Vista). The other three pending proposals involve unincorporated residential development projects west of the City of Escondido – Valiano (Eden Hills), Harmony Grove Village South, and Orchard Hills – and would require annexations to one or more special districts.

---

<sup>1</sup> Government Code Section 56857 directs LAFCOs to provide notice on agendas of any proposal involving special districts that have been initiated by landowners or registered voters. The agenda notification starts a 60-day period in which the affected special districts may request termination of the proceedings due to financial or service related concerns.

<sup>2</sup> Staff uses discretion in listing pending proposals and limits notice to only activities to be initiated by a local governmental agency. Pending proposals to be initiated by landowners and/or registered voters are not disclosed until an actual filing is made.

**Notification:**

**Special District Proposals Submitted by Registered Voter/Landowner Petition**

San Diego LAFCO has received the following proposals involving proposals involving a special district submitted by petition of the registered voters or landowners:

- “Lomas De Oro Court Change of Organization” |  
Annexation to the Leucadia Wastewater District Detachment (CO19-01)
- “Salem–Synder Road Change of Organization” |  
Annexation to the Otay Water District Annexation (CO19-02)
- “Ortega–Olde Highway 80 Change of Organization” |  
Annexation to the San Diego County Sanitation District Annexation (CO19-04)

This petition notification starts a 60-day period for the affected districts to transmit a resolution to LAFCO requesting termination of the annexation proceedings. The resolution requesting termination of the annexation proceedings must cite financial or service related concerns supported by substantial evidence in the record as justification for the request.

**ANALYSIS**

San Diego LAFCO remains active in processing over two dozen jurisdictional change proposals and outside service requests. Details are provided as Attachment One.

**RECOMMENDATION**

This item is presented to San Diego LAFCO for information only. It is recommended the Commission review the report with the invitation to discuss and ask questions of staff.

**ALTERNATIVES FOR ACTION**

This item is being presented for information only; no action.

**PROCEDURES**

This item has been placed on the San Diego LAFCO’s agenda as part of the consent calendar. A successful motion to approve the consent calendar will include taking affirmative action on the staff recommendation unless otherwise specified by the Commission.

On behalf of staff,

Linda Zambito
