NOTICE OF PUBLIC REVIEW

MUNICIPAL SERVICE REVIEW ESCONDIDO REGION | PART ONE

The San Diego County Local Agency Formation Commission (LAFCO) invites all interested parties to review and provide comment on a draft municipal service review prepared on the Escondido region. The draft represents the first of a two-part municipal service review and is specific to addressing the availability, need, and performance of public services provided in the region by Deer Springs Fire Protection District and Rincon del Diablo Municipal Water District relative to LAFCO's growth management interests and duties. This includes preparing determinative statements addressing all of the factors required under statute as part of the municipal service review mandate and headlined by population estimates, infrastructure needs, and financial standing. The second part of the municipal service review is specific to the City of Escondido and is being separately prepared and subject to its own future public review and comment process.

A copy of the draft municipal service review for Part One on the Escondido region is available online at www.sdlafco.org. Written comments on the draft should be directed to Alex Vidal by e-mail at alex.vidal@sdcounty.ca.gov. Written comments received by **Friday, September 20th** will be incorporated into a final report and presented to the Commission as part of a scheduled public hearing on October 7th.
