---

**SAN DIEGO COUNTY**  
**LOCAL AGENCY FORMATION COMMISSION**

**NOTICE OF PUBLIC HEARING**

Notice is hereby given the San Diego County Local Agency Formation Commission (“LAFCO”) will hold a regular meeting on **Monday, October 7, 2019** at 9:00 a.m. at the County Administration Center, Room 302, 1600 Pacific Highway, San Diego, California, to consider – and among other items – the following matter:

**MUNICIPAL SERVICE REVIEW**  
**ESCONDIDO REGION | PART ONE**

**Rincon del Diablo Municipal Water District**  
**Deer Springs Fire Protection District**

In accordance with Government Code Section 56430, San Diego LAFCO will voluntarily open a public hearing on Monday, October 7, 2019 to consider taking formal actions on the first of a two-part scheduled municipal service review on the Escondido region. Part One is specific to addressing the availability, need, and performance of public services provided in the region by Deer Springs Fire Protection District and Rincon del Diablo Municipal Water District relative to LAFCO’s growth management interests and duties and ahead of updating the agencies’ spheres of influence. This includes preparing determinative statements addressing all of the factors required under statute as part of the municipal service review mandate and headlined by population estimates, infrastructure needs, financial standing, and opportunities and merits therein for government reorganizations. It is recommended the Commission formally accept the municipal service review prepared on Part One along with adopting a resolution codifying the associated determinative statements. A draft document of the municipal service review is available for viewing online at [www.sdlafco.org](http://www.sdlafco.org). A final document will be posted online no later than Friday, September 27<sup>th</sup>. The public is encouraged to review these materials and attend the public hearing on Monday, October 7<sup>th</sup> and provide testimony. All questions should be directed to Analyst Alex Vidal at (858) 614-7755.
