SUBJECT: Report on Active Proposals and Related Activities

SUMMARY

The San Diego County Local Agency Formation Commission (LAFCO) will receive a status report on the 29 active proposals currently on file as well as anticipated filings based on ongoing discussions with proponents. The item is for information and concurrently satisfies LAFCO’s reporting requirement involving petition-initiated proposals.

BACKGROUND

Processing Procedures and Timelines

LAFCO proceedings for jurisdictional changes are generally initiated by outside applicants through petitions (landowners or voters), and to a lesser degree by resolutions (local agencies). LAFCOs may also initiate jurisdictional changes to form, consolidate, or dissolve special districts if consistent with the recommendations of approved municipal service reviews. Most jurisdictional change filings take three to five months before they are scheduled for hearing. Applications for outside-of-agency service approvals – which are subject to separate procedures – generally take two months to process.
