**Subject:** [External] Fwd: Help protect San Diego County Water Bills From \$200M Increase

Honorable LAFCO Commissioners

As San Diego County resident, taxpayer and rate payer, I urge you to take the appropriate time to conduct an updated financial and environmental analyses that reflect the current financial and economic environment and that you require Fallbrook and Rainbow to fully cover their costs so they don't unfairly shift the burden to the rest of the region's water ratepayers.

Respectfully

Linda LeGerrette
