Hello Adrian, Ben, Tiffany, Tina, and Tyler –

I am emailing you five as the South Bay appointees to the Cities Advisory Committee. LAFCO has scheduled a discussion for our next meeting – Monday, December 4th – on whether our oversight tasks apply to the San Diego Port. The discussion follows a request by the Commission and prompted therein by an earlier Grand Jury report. A copy of the agenda report is attached. I am also attaching a copy of a letter from the Port received earlier this week on the topic.

Given each of your municipalities make up the Port I want to make sure you are aware of the topic and the opportunity to share any comments with the Commission as they take up the discussion in Dec and presumably again in February. My expectation is to resolve the topic – one way or the other – come February...

In the interim, please let me or Chris Cate (cc) know if you would like to discuss in more detail and/or go over any comments, questions, and the like.

Thank you, Keene.
